Hurontario Main Street Study
Community Workshops

Thank you for participating tonight – we appreciate your input!

1. In addition to the information you provided us tonight, do you have any other issues that you want us to know about relative to this project?

2. We sincerely hope that this workshop gave you the opportunity to participate in this study. Do you have any comments for us relative to how the workshop was run? How could we have improved the workshop?

3. Overall, how would you rate the workshop? (Poor, fair, good, excellent)

We look forward to your continued involvement in the Hurontario / Main Street Study. You are welcome to leave this comment form with us, or you can send it to:
