

## Hurontario Main Street Study

# HOW CAN YOU GET INVOLVED IN THIS STUDY?

### Web Site

We will update the study progress, provide important information and identify future public events ([www.hurontario-main.ca](http://www.hurontario-main.ca)).

### Community Workshops

We will host meetings with local communities around Hurontario/Main Street to understand local issues.

### Project Newsletters

Newsletters will be prepared after each major public event as a means of documenting the outcomes, providing follow-up with participants, and of heightening awareness and interest in the study.

### Additional Public Workshops

We will host at least two additional public workshops at key study milestones to ensure that you play an active role in this study.

### Media Release

We will work with the local media to “get the word out” and raise awareness of this important study.
